Meditation in God's Word is a necessity in God's success formula. Keep His word before you and meditate. Dwell on the word in your thought life day and night. Meditation is more than reading the scripture it is fixing your mind on the Word so that you do all that is written . You will gain more understanding and insight into the word . You are applying the word to yourself personally. You allowing the Holy Spirit to make God's word a reality in your heart.

In meditating you are carefully pondering how this Word applies to your life. You are dwelling on how this Word from the Lord changes your situation. You would probably receive the quiet revelation of what this word means to me. You are placing yourself in agreement with what God says about you. You are seeing yourself as He sees you!

As long as God's Word is just book, even an Holy Book, you will not act on it. Until the bible becomes God dealing with you, it will not be active and powerful in your life. Through meditation the integrity of God's Word becomes a reality to you. As the truth is revealed in your spirit, you will do all that is written in it
